

Neuropathy Podiatry Treatment Center

How Did You Hear About The Neuropathy Podiatry Treatment Center?

How Serious Do You Think Your Problem Is?

What Is Your Main Problem/Symptom Prompting Your Request For A Consultation?

Would You Consider This Problem (circle one)....MINIMAL (Annoying but causing NO limitations)
SLIGHT (Tolerable but causing a little limitation)
MODERATE (Sometimes tolerable but definitely causing limitations)
SEVERE (Causing Significant limitations)
EXTREME (Causing near constant (>80% of the time) limitations)

In spite of the fact that you are not a doctor, you are in fact the person who knows more about your problem more than anyone else. In your own words and in your own opinion what do you think the real problem is?

What are you hoping happens today as a result of your consultation?

Since your neuropathy became this severe what three things has it caused you to miss the most?

How long have you been like this & how has your life changed since neuropathy became a problem?

What activities are you limited in?

What kinds of treatments have you received?

When did you receive these treatments and for how long?

Did any of these treatments work? If so which one(s)? For how long?

Is there anything you can do that makes it feel better?

What activities/movements are guaranteed to make it worse?

Please describe the quality of the pain. (Sharp, Dull, achy, toothache, shooting, stabbing, numb, tingling, etc...)

Is it worse in the morning or is it worse as the day progresses?

If you cannot find a solution to this problem what do you think will happen to you?

What are you hoping our office tells you today?
